

## NC-30 - DC

Hose cutter for hydraulic hoses up to 1 1/4" 4-SP

For use in mobile vans, 12 Volt power supply

The NC30-DC hose cutter was specially designed for mobile van use.

SIMPLE, COMPACT, LIGHT, RELIABLE AND POWERFUL are the key advantages of this unit already used by some of the major hose van companies in the world.

Equipped in standard with a slotted disc to cut spiral hoses up to 1 1/4", the machine is easy to install and connect to a 250 Amp / hour battery and fuse protection. The multiple bending position will help reducing the effort needed to cut the hose and allow a perfect square cut finish.

Technical specifications	
Hose capacity <i>For intermittent use of hydraulic hose cutting in vans</i>	2-SN : 2 '' (DN50) 4-SP ou 4-SH : 1 1/4'' (DN32) 6-SP/R13/R15 : 1'' (DN25)
Max. hose OD	Ø 65 mm
Cutting Disc	Ø 250 x 40 x 3mm Standard cutting disc supplied : HSS Steel disc, slotted and ventilated bore (CD250-25-SL) Optional : Special high efficiency cutting disc, smooth bore disc ....
Motor	2 000 W - 12 VOLT DC Connect to auxiliary 12 VDC battery with 25mm <sup>2</sup> cables + 250 Amp fuse. Items not supplied with machine
Net Weight	34 Kg
Dimensions (Width x Depth x Height)	500 x 500 x H 400 mm
Colour	Blue (Standard) or Red (on request)
